Friday: Tel Aviv

Begin your day with a great discovery of Tel Aviv as we drive through the main streets of this city known as the "White City". Tel Aviv has been proclaimed a UNESCO World Heritage Site for its splendid Bauhaus Architecture and has the largest number of buildings in this unique style of any city in the world! Continue past the Charles Bronfman Auditorium, (Israeli Philharmonic), Habimah Theatre, the impressive Opera House and Yitzhak Rabin Square, dedicated to the late Prime Minister. Continue to the 4,000-year-old port city of Jaffa. Explore the magnificently reconstructed Artists' Quarter with its galleries and boutiques. Afterwards, on to Tel Aviv's bustling Carmel Market and lively Nachlat Benjamin Street with its delightful cafes and craft stalls including a stroll through trendy Sheinkin Street adjacent to the

market. Return to your hotel. This evening at leisure for you to choose from one of the many excellent restaurants in Tel Aviv. (B)

Saturday: Tel Aviv

Visit to Machon Ayalon the reconstructed underground munitions factory located under the kibbutz bakery. It was built and operated during the years 1946-1948. This special clandestine factory was prepared secretly in less than a month. Its openings were covered by a 10 ton oven and a large washing machine that camouflaged the noise of manufacturing bullets. The Ayalon institute was the largest IMI factory to operate underground and produced over 2,500,000 9mm bullets mostly for Sten guns during its three years of operation. Drive to the military junction at Latrun, once the border with Jordan; see the French Trappist Monastery and visit the Tank Division Memorial. Return to Tel Aviv and visit Sarona, an old German Templar colony meticulously restored, preserving the original architecture and converted to a lively pedestrian area with a booming culinary arena. After a walking tour, enjoy free time exploring the new urban complexes including various shops, cafés and art galleries. Return to your hotel for an evening at leisure in vibrant Tel Aviv. (B)
