*Isram*Israel

“Go in and possess the land which the Lord swore unto your fathers, Abraham, Isaac, and Jacob, to give unto them and to their descendants after them.”

– Deuteronomy 1:8

Dear Traveler,

Israel has a unique resonance and meaning for so many. It's tiny – no bigger than the State of New Jersey...yet our country somehow wields a significance much vaster than its size.

We've recently seen more than our share of challenges and despair. But our future is bright. Tourists are flooding back in safety and security. Airlines are adding more and more flights than ever before. And we Israelis of all faiths are welcoming you with joy.

For three millennia, visiting Israel has been the dream of the faithful, the spiritual, the adventurous, the curious, the passionate. Some call it "the Promised Land." Some call it the "Holy Land." Some just call it "Israel." But whatever you call it, coming here is like visiting nowhere else on the planet.

This is the land where the Bible is your very own guidebook. This is the land where Judaism was born, the land where Jesus walked, where Mohammed rode. It's the land to which the Babylonians, the Assyrians, the Greeks, the Romans, the Crusaders, the Ottomans, the British all came...and then they went. Israel is ancient, yet massively modern, massively Western. It's where much of the wizardry inside your phone, inside your computer, and inside your medicine cabinet were given birth. Israel is a window into the past...and into the future.

For decades at Isram Israel, we've taken pride in sharing our homeland with visitors. We're dedicated to assuring

you discover the real Israel that's ultra-modern, ultra-hip, ultra-cultured, at the same time as it's a blend of thousands of years of history, spirituality, ups, downs, treasures, miracles and wonders.

Israel's complexity is best discovered with the guidance of the people who know it best. The tours and packages and guided experiences we curate at Isram Israel are the zenith of seeing, breathing, and understanding what this old-new land is all about. We know what's best to see... what's best to miss...where's best to sleep...where's best to eat. And each Isram Israel experience can be neatly combined with the ancient wonders of Egypt and Jordan and the contemporary wonders of the Emirates.

Ultimately, it's all about experience, security, and trust. And hundreds of thousands of Americans have placed their trust in our know-how...and returned home in awe.

We look forward to welcoming you soon.

FAQs

We've updated the most **"Frequently Asked Questions"** and hope that much of what you've been wondering about will be covered in these 2 pages.

The tour programs referred to are our ever-so-popular Israel Prelude, Minuet, Overture, Rhapsody, Serenade, Symphony and Israel Plus Eilat and Petra. Our staff is at your service to assist in making your travel experience with Isram Israel, second to none.

Q: How do I know which hotel will be the most suitable for us?

A: We've made a careful selection of the topmost hotels in the country, according to price ranges. And we've even added the newest most trendiest properties to the selection. Each property is centrally located, has a welcoming lobby lounge, fine dining outlets and a swimming pool. So you can't go wrong. Let us know if you favor the more traditional old-world charm hotels

Jaffa Port

or the contemporary style hotels with that modern vibe. We'll consider your budget and help you make the perfect choice. And while you're browsing the hotel choices, take note of the special room categories included at many of these fine hotels, some with use of the exclusive Executive lounges!

Q: What is not covered in the price of these tours that will cost me extra?

A: Our tour inclusions are very clearly outlined on every program so that there is no guess work. Cutting corners and offering a list of "optional" services for an extra cost is not our thing. We believe in providing you with the best value for every dollar you spend and making sure that the most interesting sites in Israel are covered on the program you've selected. Prior to departure we will email you all the information you will need including suggested gratuities (guide, driver, hotel personnel) which are not included in the cost of your tour. Tips for included meals are covered by Isram. Rest assured that on an Isram Israel tour, you'll see and experience more than you'll ever imagine.

Q: Where can I rent a phone for Israel?

A: Many are now using their own cell phone provider's services to tap into special deals allowing them to utilize their own mobile phones abroad. Don't forget the various apps (Whatsapp, Viber, etc.) allowing you to stay connected without extra cost as long as you've arranged for international service to be available during your trip. Or, you can purchase a SIM card for your phone at airports, kiosks and phone stores at your destination. Just make sure with your phone provider that your phone will work abroad.

Q: Where will I be met when I arrive in Israel from abroad?

A: While Ben Gurion Airport regulations keep changing as to where hosts can greet the arriving guest, at press time, almost all of our escorted tours will meet you just prior to entering Passport Control so that we can assist in the process from this point onward including luggage retrieval and escorting you to the awaiting vehicle for your transfer.

Upon departure from Israel for your international flight, appreciate our special services at Ben Gurion Airport. We'll accompany you through the security and airline check-in formalities and have you enjoying the great duty free shopping in no time.

Q: Can we save and have the kids stay in the room with us?

A: Third bed (roll-a-way) or a pull-out love seat is available in all our hotels for one child to join the parents. Special rates are available for the child as third in room.

Q: How large are these Isram Israel tour groups?

A: We know that part of the enjoyment of joining any group tour is the wonderful acquaintances that are made and the sheer fun in having diverse personalities that really lend to the whole group experience. We also know that the "more the merrier" does not quite cut it when traveling extensively throughout the country. With this in mind, we've capped our group size in Israel at 28 max so that they remain intimate, comfortable and with plenty of room in the vehicle to spread out. We also provide headsets to each of the participants when the group may be over 15 passengers so that they can easily hear the guide from any distant position. We'll be happy to let you know the group size expected on your tour closer to departure. Just give us a call.

Q: Are Visas required for Israel or Jordan, Egypt and Dubai (UAE)?

A: For Israel, as of January 2025, travelers must have a valid visa or the Electronic Travel Authorization to Israel (ETA-IL) approval before starting their journey. It is recommended that the application should be completed prior to purchasing your tickets. If you are a citizen of a visa-exempt country,

please go on-line to: Israel-entry.piba.gov.il to fill out the mandatory application which also requires a fee.

Note: Israeli citizens or holders of an Israeli identity number do not need to apply for an ETA-IL. If you have a visa to Israel issued by your country of citizenship, you are not required to apply for an ETA-IL.

For Egypt, visas are required and may be included in the cost of your tour as indicated or may be obtained upon arrival. Dubai and Abu Dhabi (UAE), programs featured on our website, are visa-free for Americans and Canadians. For all travelers, you must be in possession of a valid passport with an expiry date not earlier than six months following the date of your return.

Please be sure to hold on to your immigration stamped entry slip issued at Ben Gurion Airport as you will be required to show this upon check in at each hotel for VAT exemption. Please note, Israeli Passport holders, regardless of whether you hold a second country passport, are obliged to pay VAT at hotels and other establishments. Israelis are furthermore required to enter and exit Israel at airports and borders utilizing their Israeli Passport. Note: Israeli Passport holders, regardless of dual citizenship, cannot cross at Allenby Bridge border. Speak to our specialists for any further clarification.

Q: I have a late evening flight back. Must I check out of my room at noon?

A: Most U.S. bound travelers find that the night flights are more convenient than the day flights and domestic connections are more accessible. As such, a 12:30 A.M. or 1:00 A.M. flight departure time may be your choice. You can keep your room up till your departure to the airport (but not later than noontime), provided your flight date is the same date as the hotel check out date of the tour.

Q: Can I take your group tour but in a private car just for us?

A: Absolutely! And best of all, you'll be able to take advantage of the GROUP rates at the hotels, while touring in your own private vehicle with your private guide. There are some significant advantages in this, one of which is total flexibility. You're able to change the site inclusions to suit your interests. For example, if you are an art lover and would like to visit some more of the fantastic art museums and galleries within each city, we'd be happy to do this. We only ask that you stay within the timing of the tour day and pay the required entrance fee (if any). Otherwise, the guide is always ready to enhance your experience. See page 30 for more details.

Welcome to Israel! Arrive Ben Gurion Airport; special meeting, assistance and transfer to your hotel in trendy Tel Aviv's Mediterranean beach. Balance of the afternoon and evening at leisure in the “city that never sleeps”.

Wednesday: Tel Aviv

Today, we visit the **Peres Center for Peace and Innovation** (subject to confirmation), an inspiring waterfront venue dedicated to dialogue, coexistence, and Israeli innovation. Through engaging exhibits and stories, the center highlights Israel's social and technological achievements while honoring the legacy of Shimon Peres. We'll then have a great discovery of Tel Aviv as we drive through the main streets of this city known as the “White City”. Tel Aviv has been proclaimed as a UNESCO World Heritage site for its splendid Bauhaus Architecture and has the largest number of buildings in this unique style of any city in the world. Continue passing through known landmarks including **Yitzhak Rabin Square**, dedicated to the late Prime Minister and “**Hostage Square**” once the epicenter of massive weekly protests and vigils for those held captive following the atrocities of Oct 7, 2023. On to the vibrant **Levinsky Market** for a “**Shuk Bites**” experience; you'll delight in the wide array of unique flavors and culinary history. End the day with a stroll through charming and quaint **Neve Tzedek** (Tel Aviv's “**Soho**”); the old, colorful buildings are amazing and the vibe is unique. Return to your hotel for overnight. (B)

Thursday: Tel Aviv

Begin the day with a visit to **Weizmann House**, the recently restored unique and grand home of Chaim Weizmann, first President of Israel and founder of the Weizmann Institute of Science. The house is presented in a living way,

as if its residents are still living on the premises. Continue to the memorial site of **Khan Sha'ar Hagai** where the story unfolds of the fierce battles in this area during the War of Independence. Friday: Tel Aviv

A fascinating day as we visit **Machon Ayalon** (Ayalon Institute); hear the riveting story of this pre-state underground Ammunitions Factory that functioned as a secret bullet factory making ammunition used in the struggle for Israeli independence. Afterwards, continue to the 4,000-year-old port city of **Jaffa**. Explore the magnificently reconstructed Artists' Quarter with its galleries and boutiques. On to Tel Aviv's bustling **Carmel Market** and lively **Nachlat Benjamin Street** with its delightful craft stalls. Then continue to the timeless Crusader city of **Acre**; walk through the subterranean city and bazaars that recall the colorful Middle Ages. Return to Haifa for an evening at leisure in the picturesque **German Colony**, with its great dining options and special ambiance. Questions & Answers About Private Car Sightseeing on the preceding tours

Q: What are the advantages of touring by Private Car?

A: In a private vehicle you command the complete attention of your driver/guide. Start a bit later, stay longer at a site of special interest to you, indulge yourself with a leisurely lunch! Our guides are flexible and totally interested in fulfilling your needs.

Q: Do we have the same sightseeing on a Private Car tour?

A: Yes! You'll follow the tours (with a lot of flexibility) shown on the preceding pages with your own exclusive private vehicle and guide, and also stay at the same hotels. (This gives you the advantage of our group rates at hotels!) In addition, you'll participate in the unique visits highlighted in our itinerary, often available only for groups. Therefore, on a few occasions, you will join our motorcoach passengers for the special visits at these sites.

Q: Do we join the other tour participants for special meals?

A: If you're traveling by Private Car, dining will be at the same restaurants as the motorcoach passengers. You may choose to be seated privately and not with the group. As an added convenience, passengers on the exclusive Private Car who have Friday night dinner scheduled in Tel Aviv or Jerusalem will dine at their own hotel.

Q: Is our guide always with us?

A: The Private Car guide is assigned to you for each touring day and scheduled evening activities, with the exception of: Saturday Morning Walking Tour in Tel Aviv. If your selected tour includes the above event, you will be joined with our motor coach passengers for the service; the Isram Israel Tour Host will be aware of your participation. Generally, the Private Car guide does not stay overnight at your hotel as other accommodations are usually arranged for him/her. However, do not be concerned—you'll always know where to reach him/her.

Q: Does our guide dine with us?

A: We believe that when you dine, you should do so in the company of your own family and friends, with private moments to reflect on your experiences — not to mention, your guide probably needs his "break time" as well! (He will generally join his fellow guides during these times.) Your guide's meals have all been taken care of by us.

Q: How much extra does it cost to tour by Private Car?

A: Please see the chart below, which outlines the appropriate supplements. Simply, add the per person cost to the basic package price of your selected tour.

Tuesday: Jerusalem

After a scrumptious breakfast that you'll experience daily, drive to the Haas Promenade lookout for a spectacular and sweeping view of Jerusalem and learn of its historical significance. On to the Old City entering through the Zion Gate. Walking through the reconstructed Jewish Quarter with its narrow alleyways and the Roman Cardo, we'll reach the Kotel – the Western Wall, Judaism's holiest site, where we will spend some time and

place prayer notes in the wall. We'll then walk back in time through the Hasmonean (Rabbinical) Tunnels that runs under the Old City. Continue to the Southern Wall Archaeological Park and see Robinson's Arch that supported a staircase that led up to a gate into the Temple Mount. Stop at the Davidson Center to experience a fascinating presentation describing the Temple Mount and life as it was two millennia ago. Proceed to the City of David, an exciting area of discovery in the heart of ancient Jerusalem- home to many of the most impressive finds of recent years. A true highlight of the tour is a visit to the underground water system including brand new discoveries from the Canaanite Period. You might explore the cool wet Hezekiah's Tunnel, (or choose the dry tunnel) which brought water to the city in the time of Herod. **Special Dinner:** Drive to Genesis Land (Eretz Beresheet), located in the heart of Judean Desert. Have a chance to experience life as it was in biblical times. You will be greeted by Eliezer, Abraham's servant, and by a train of camels which lead you down to Abraham's tent, where you will have the "Chafla", local dinner. (B,D)

Wednesday: Jerusalem

Begin the day with a visit to Mt. Herzl National Cemetery, the burial place of

Rafting on the Jordan River

Theodore Herzl and Israel's former prime ministers and presidents, along with prominent leaders and soldiers killed in battle. On to **Yad Vashem Holocaust Museum & Memorial**- strategically situated on the green slopes of **Har HaZikaron** ("Mount of Remembrance"). The museum tells the story of the Holocaust from a unique perspective by emphasizing the experiences of Jewish victims and survivors using original artifacts, testimonies, and personal possessions. Tour this sprawling complex and visit the **Grove of the Righteous among the Nations**, the **Children's Memorial** and take part in a special "Yizkor" (memorial service) in **Bik'at Ha Kehilot** (The Valley of Communities). The unique "Twinning" program will be provided for the Bar/Bat Mitzvah children. A special program will be available for children under 10 years (accompanied by one parent). Afterwards, time to enjoy **Machane Yehuda Market** and immerse yourself in the bustling energy of Jerusalem's Shuk (market). Return to the hotel and meet with the Rabbi for a final rehearsal before the big day... Evening: "Night Spectacular" **Sound & Light Show** at the Citadel Museum. (B)

Thursday: Masada, the Dead Sea – Ceremony Day

The big day is here and we've made sure that it's everything you hoped for and more. Following breakfast at the hotel, descend through the Judean Desert to the **Dead Sea**, the lowest point on Planet earth, continuing straight to **Masada**. Ascend the mountain by Cable Car to this last stronghold of the Zealots who chose death rather than surrendering to the Roman Legion in the Jewish Revolt against Rome some 2000 years ago. Masada is now declared a UNESCO "World Heritage Site". Join the Rabbi for the **Bat/Bat Mitzvah service** at a select location overlooking the Dead Sea and the Mountains of Moab. After, tour

Herod's Palace, the synagogue, the bath house, the water system and the fascinating storage rooms. Descend **Masada** and drive the **Dead Sea**; float effortlessly in the therapeutic mineral-rich waters before proceeding to **Ein Gedi** for a hike through this beautiful oasis to the spectacular waterfalls—a perfect family day to remember. Tonight, we've planned a **Festive Bar/Bat Mitzvah celebration** in honour of the children's hard work and the dedication they have shown. Enjoy a specially arranged **dinner** planned around the freshest of local bounty and live entertainment (live entertainment subject to group size). It will be a night to remember. (B.D)

Friday: Jerusalem

Following breakfast and hotel checkout, head to **Tel Maresha** in the area of **Beit Guvrin**, ancestral home of King Herod, and participate in an **archaeological dig**. This hands-on experience includes digging, sifting, pottery examination and a tour in **Beit Guvrin National Park** with an exciting crawl through unexcavated cave systems. Continue to the national memorial site of **Khan Sha'ar Hagai** where the story unfolds of the fierce battles in this area during the War of Independence. Through emotional testimonies, you meet the fighters who broke through the road to Jerusalem and you'll see a moving presentation describing the struggle that the 1948 generation endured in order to keep the lifeline to Jerusalem open. Drive back to Jerusalem with a visit to the **Kotel** illuminated on this Sabbath eve; traditional **Friday night dinner** at the hotel. (B.D)

Saturday: Jerusalem at leisure

Spend the day at leisure in honour of Shabbat. Consider resting or catching up with friends and relatives, attending a Shabbat service, taking a dip in the pool, or enjoying Jerusalem at your own pace. (B)

Sunday: Galilee

Drive through the **Jordan Valley**, homeland of the Prophet Elisha, to **Beit Shean**. Visit the largest excavated Roman city in the Middle East that was home to approximately 40,000 people. See the Roman temple, artisan workshop, public baths and a magnificent amphitheater that is still used for performances. Drive to the chocolate farm at **Kibbutz Degania**, enter to **Galita**, the sweet world of chocolate!! Watch a short film about chocolate, and continue to the workshop center to create your chocolate choice. After the workshop, can have free time to try delicious and home-made ice cream of Galita. Proceed to **Safed**, the ancient city that was home to the mystics of the Kabala. Wandering the twisting alleyways, you'll encounter tiny, historic synagogues and have an opportunity to visit the galleries of **Safed's celebrated artists' colony**. (B.D)

Monday: Galilee, Golan

Today, we've arranged for a rare treat – subject to the political situation, we'll visit an **Army Base**, speak with the soldiers who defend the northern borders and observe the life of an active combat unit. Head down from the heights of the **Golan**, taking in spectacular views of the area as we make our way to **Tel Dan**, a town that has seen many different occupants in the course of 6000 years. Its setting in the lush valley supplied by the Dan River makes it one of the loveliest sites to visit in the North. Then, a fantastic adventure in the afternoon **rafting** in the **Jordan River**, and dare the 300-foot long zip-line journey, ending with a splash in the Jordan River waters. Tonight, we will enjoy a **traditional Israeli dinner** followed by an exciting jeep tour beginning in the twilight hour. Traveling in open **jeps**, we'll hear the sounds of the night and observe the active wildlife. Returning from this exhilarating ride, we'll head for a cozy get together around a bonfire "**Kumzits**" to roast some marshmallows while we star gaze into the glorious Israeli skies. (B.D)

Tuesday: Haifa, Caesarea, Tel-Aviv

After enjoying the delicious buffet breakfast at Kfar Blum, drive to **Mitzpeh Hoshaya's Kfar Kedem**, where the day-to-day life of this ancient land is recreated. Hear the words of the prophets as you thresh grain, spin wool, press oil from fresh olives and wine from fresh grapes, and take to the trail on donkeys. Leave with a **Homing pigeon** and send a special message back to Kfar Kedem as you release the pigeon on his path back home. Then, head to Haifa; see the meticulous **Baha'i Gardens**, a UNESCO World Heritage Site, often described as the "eighth wonder of the world." Proceed to a nearby **Druze Village** where we will learn about the Druze people and their way of life. Drive to **Caesarea**, the "Dream by the Sea" constructed by Herod the Great between 22 and 10 BC and named after Caesar

Augustus. Enjoy a tour of the rich remains spanning from the time of the Romans to the Islamic period: the 2,000-year-old Roman amphitheatre, the Crusader harbour, and Herod's palace. Drive to Tel-Aviv to check in at the **Carlton Hotel** on the glorious **Mediterranean Sea**. Evening: free to enjoy this unique and well-known city with spectacular beach promenades and charming neighbourhoods. (B)

Wednesday: Tel-Aviv

After buffet breakfast at the hotel, we will drive to the leading food rescue organization in Israel, **Leket Israel**. Here we will **volunteer** and work alongside others from Israel and abroad to help pick or package fruits and vegetables, a unique opportunity to make an immediate difference that is so vital to those in need. On to **Machon Ayalon**, a

secretive bullet factory established by the Haganah underground movement in 1945. As the largest bullet factory during that time, it produced 2.23 million bullets between 1946-1948, while keeping the secret from the ruling British military. Drive back to Jaffa to explore the reconstructed Artists' Quarter with its galleries and boutiques. Back to hotel to refresh before our farewell dinner. **Those departing late this evening** will be transferred to Ben Gurion Airport where you will be met and assisted for your departure flight. For others, last overnight. (B,D)

ITINERARY

Wednesday: En Route

Depart the U.S.A. on your flight to Israel.

Thursday: Tel Aviv

Welcome to Israel! Arrive Ben Gurion Airport; special meeting and assistance by our representative and transfer to the spectacular Isrotel Royal Beach Hotel on Tel Aviv's sparkling Mediterranean Sea. Balance of the day at leisure. Enjoy dinner on your own, at one of Tel Aviv's top restaurants or try the fine Chef restaurant at the Royal Beach Hotel (it's one of our favorites).

Friday: Tel Aviv

Begin your day with a great discovery of Tel Aviv as we drive through the main streets of this city known as the "White City". Tel Aviv has been proclaimed a UNESCO World Heritage Site for its splendid Bauhaus Architecture and has the largest number of buildings in this unique style of any city in the world! Continue past the Charles Bronfman Auditorium, (Israeli Philharmonic), Habimah Theatre, the impressive Opera House and Yitzhak Rabin Square, dedicated to the late Prime Minister. Continue to the 4,000-year-old port city of Jaffa. Explore the magnificently reconstructed Artists' Quarter with its galleries and boutiques. Afterwards, on to Tel Aviv's bustling Carmel Market and lively Nachlat Benjamin Street with its delightful cafes and craft stalls including a stroll through trendy Sheinkin Street adjacent to the

market. Return to your hotel. This evening at leisure for you to choose from one of the many excellent restaurants in Tel Aviv. (B)

Saturday: Tel Aviv

Visit to Machon Ayalon the reconstructed underground munitions factory located under the kibbutz bakery. It was built and operated during the years 1946-1948. This special clandestine factory was prepared secretly in less than a month. Its openings were covered by a 10 ton oven and a large washing machine that camouflaged the noise of manufacturing bullets. The Ayalon institute was the largest IMI factory to operate underground and produced over 2,500,000 9mm bullets mostly for Sten guns during its three years of operation. Drive to the military junction at Latrun, once the border with Jordan; see the French Trappist Monastery and visit the Tank Division Memorial. Return to Tel Aviv and visit Sarona, an old German Templar colony meticulously restored, preserving the original architecture and converted to a lively pedestrian area with a booming culinary arena. After a walking tour, enjoy free time exploring the new urban complexes including various shops, cafés and art galleries. Return to your hotel for an evening at leisure in vibrant Tel Aviv. (B)

Sunday: Tel Aviv/Rosh Pina (Galilee)

Drive to ancient Caesarea to explore the Roman and Crusader ruins. On to the port city of Haifa for a view of the golden-domed Baha'i Shrine and visit

the breathtaking “hanging gardens,” – a UNESCO World Heritage site. Continue to the Crusader city of Acre. Enjoy lunch at famous **Uri Buri Restaurant**. Afterwards, walk through the subterranean city and bazaars that recall the colorful middle Ages. Drive along the coast to **Rosh Hanikra**; descend by cable car to see the magnificent underwater grottoes. Continue to **Mitzpe Hayamim in Rosh Pina**, a natural health spa and resort unique in its concept and design with flourishing herbal and flower gardens and an organic farm with the tastiest cuisine. Enjoy farm to table dining this evening. (B.L.D)

Monday: Rosh Pina (Galilee)

Begin the day with a tour of **Safed**, one of Judaism’s holiest cities, where the Kabbalah was developed in the 16th.-century; visit the ancient synagogues and the charming **Artists’ Quarter**. Continue to the **Adir Winery** for wine tasting, and to participate in a hands-on **cheese making workshop**. Ascend the **Golan Heights** and continue through the valleys and ranges on a thrilling **Jeep ride**; take in the breathtaking panoramic views and learn about the strategic importance of the area. Drive to wondrous **Mt. Ben Tal** for a magnificent view beyond the Israeli borders. Visit an **army bunker** and hear the fascinating story of the war fought in the Golan. Return to your hotel for dinner at **The Ranch House**, the special restaurant of the Mitzpe Hayamim offering assorted meats grilled on various aromatic tree branches. (B.D)

Tuesday: Rosh Pina/Jerusalem

Drive to **Capernaum** to see the fantastic ruins of the ancient synagogue dating back to the 5th-century. Continue to a local **Galilee Village** where you will have a taste of Galilean village life. Arrive at your hosts’ home where you will **prepare a meal together** along with a selection of side dishes cooked especially for you by your host. Then on to **Old Gesher** to see a look-out onto the Jordan River scenery and the Gilad and Golan Mountain ranges. You will hear the moving story of the struggle of the kibbutz members during the War of Independence. The fighters’ bunker located in the heart of the settlement has been converted into a unique visitors’ center. We will then go on a journey through time at the **Naharayim Experience**, a large and first-of-its-kind model that demonstrates the operation of Israel’s first and only hydroelectric power station which was established on the Jordan River, in the early 1920’s. Then drive south and rise through the mountains to “golden” Jerusalem, stopping first for a blessing and a toast to our arrival in the eternal city. Check in to the spectacular **Orient Hotel** built on the grounds of historic buildings preserved from the Templar Era of the 1880’s. Overnight in Israel’s capital. (B.L)

Wednesday: Jerusalem

An exciting day today as we enter the **Old City** from the Dung Gate; walk to the **Western Wall**, last remnant of the Second Temple. View the **Dome of the Rock**. Drive

to **Mt. Zion** to visit the traditional **Tomb of King David** and the **Room of the Last Supper**. Proceed to the restored **Jewish Quarter**; walk along the **Cardo**, the colonnaded main street of Byzantine Jerusalem. Walk through the extraordinary **Hasmonean Tunnel** (*tunnel schedule permitting*.) Follow the **Via Dolorosa** to the **Church of the Holy Sepulchre**. Join our culinary expert on a tasting tour through the exotic **bazaars** with their wondrous aromas and down the Old City alleyways as we stop, taste and chat with the local vendors who have been there for decades. They take great pride in the traditional food, deserts, coffees, hot pitas and mouthwatering pastries that are made fresh daily and savored by all who are fortunate enough to find these hidden culinary hotspots. **Evening:** Restaurant **Dinner** at another one of our favorites where every dish has its origins in biblical scenes and all the spices and herbs grow in the surrounding hills of Jerusalem and Judea. The restaurant is set in an ancient stone building with a huge scenic balcony where you can enjoy the crimson sunsets as they hit the walls of the old city—the special ambiance of the evening is simply intoxicating. Afterwards, attend the “**Night Spectacular**” **Sound & Light Show** at the Citadel Museum (*weather and schedule permitting*). (B.LM.D)

Continue to **Yad Vashem**, Israel’s national Memorial and Museum of the Holocaust, with its Children’s Pavilion and Avenue of the Righteous. This afternoon, we visit bustling and lively **Machane Yehuda Market** (Shuk), a microcosm of everything Jerusalem has to offer. The market is Israel’s most sprawling and buzzing network of alleys and vending stalls. Enjoy the “**Shuk Bites**” experience where you’ll sample and taste a variety of market products while you hear the intriguing tales

from the vendors you’ll meet. Time to shop the different areas of the Market (you may want to return on your own in the evening when the market area takes on a complete transformation and becomes a different experience altogether with cafes, restaurants and some of the best cuisine the city has to offer. Overnight in Jerusalem. (B.LM)

Friday: Jerusalem

Meals: As indicated on each itinerary. Lunches or Dinners at hotels are table d'hôte and limited to specific dining rooms unless otherwise indicated.

Sightseeing

By comfortable, guided cars, microbus, minibus or motorcoach. While the best available air-conditioned vehicles have been contracted for all tours, during summer seasons, certain areas in Jordan and Egypt may experience extremely high temperatures, limiting the air-conditioning capabilities of utilized vehicles. There are no refunds if such circumstance arises, which is beyond the control of the Tour Operator. Private car tours utilize a variety of late model vehicles in accordance with the standards within each destination, subject to availability.

Some tours are based on minimum group size. In the event a tour must be cancelled for lack of participation, you will be advised at least 30 days prior to departure, and in most cases, a similar program will be offered.

The "Holyland Pilgrimage" and "Tierra Santa" (on our website) are not Isram Israel Exclusive Programs. They are operated by standard locally scheduled touring companies. Tours may have multiple hotel pick ups although our publication on some of these programs reflect only one hotel plan.

Please Note: During certain seasons, tours may operate with fewer passengers than what would normally constitute a "group." While many passengers consider this as a definite advantage, there are others who do prefer to travel in larger groups. We will be happy to advise you of the approximate number of passengers booked on your tour, if you contact us 30 days in advance of your departure. However, please bear in mind that often the passenger count may fluctuate up until arrival date in the destination.

Jordan: Tours in Jordan are operated by private cars, microbus or minibus with driver. Local guides are used at specified sites per itinerary. Supplements are available to add private guides. With minimum 4 passengers, sightseeing includes services of private guide without additional cost. Some select Jordan programs, already include the services of a private guide which is indicated accordingly. All Petra one-day tours by bus, including the over day Petra excursion on the "Israel Plus Eilat & Petra Tour", utilize standard, locally scheduled touring companies with English-speaking guide. Maximum number of participants is not limited.

Nile Cruises: All accommodations are standard outside cabins. Choice of decks not available. All shore excursions are included.

All cruise companies reserve the right to substitute vessels or alter itineraries without prior notice.

Sequence of Tour Programs: During periods of conventions, congresses, holidays, special events and any unforeseen circumstances, the Tour Operator may have to make last-minute changes (subsequent to issuance of "final itinerary") in the sequence of the tour. Tours operating during holiday periods may have changes in hotels, sightseeing, city sequences and/or inclusions.

Transfers and Portage

Transfers to/from airports, hotels, ports and border crossings are included as specified in the published itinerary, provided passengers' days of arrival and departure coincide with their published tours. Alterations to the itineraries result in supplements for private transfer services. Due to government and international regulations, porters may not be allowed inside the customs and security areas of the airport. At the Israeli-Jordanian borders, please pack light, as luggage carts are not always available.

GENERAL AIR INFORMATION

Air Transportation

Tours featured do not include international air which should be booked directly with the carrier of your choice or with your travel agent. Some tours featured include domestic airfare which is clearly indicated.

Should an airline schedule change result in a necessity to alter the land arrangements, any additional expense must be borne by the passenger.

Baggage

Please contact your airline or refer to its website for detailed information regarding your airline's checked baggage policies. Airline policies vary and may change at any time. Isram Israel is not responsible for any excess luggage/ weight charges levied by an airline.

The balance is due for land arrangements not later than 60 days or 95 days for Nile Cruise tours prior to departure. Should any member of your party cancel their participation in the tour, the package price or car supplement price will increase for the number of remaining passengers touring in the vehicle. Purchase of insurance may not cover the additional cost incurred by each of the remaining passengers in the private vehicle. Should the remaining passengers wish to alter their program and participate instead in the group-touring program (where offered and available), additional cancellation penalty may apply for the private car and will be advised separately.

All Airline Tickets if issued in conjunction with our tours in the brochure (international and domestic sectors within each country) are subject to air penalties, per individual carrier's rules and regulations which will be applied in addition to above land or cruise penalties.

Unused Services: No refunds will be made for any unused services on any guided tours. Refunds for independent "Hotels Only" arrangements will only be made for the hotel portion and will carry a \$45 processing fee in addition to any applicable cancellation charges

imposed by the supplier. Such requests must be approved, documented and submitted not later than 45 days after trip returns.

Any and all refund requests for cancellation or otherwise are assessed a 3% processing fee of the amount to be refunded in addition to the penalties indicated.

Passports & Visas:

Every participant on our tours must be in possession of a passport valid for at least six months from day of return to the U.S.

A copy of your passport bearing your signature must be provided to Isram Israel when booking your tour as it is required by the hotels. See also important information under VAT.

Israel: As of January 2025, travelers must have a valid visa or the Electronic Travel Authorization to Israel (ETA-IL) approval before starting their journey. It is recommended that the application should be completed prior to purchasing your tickets. If you are a citizen of a visa-exempt country, please go on-line to: israel-entry.piba.gov.il to fill out the mandatory application which also requires a fee.

Note: Israeli citizens or holders of an Israeli identity number do not need to apply for an ETA-IL. If you have a visa to Israel issued by your country of citizenship, you are not required to apply for an ETA-IL.

Jordan: Please refer to visa requirements as indicated for your tour choice. No refunds are made for passengers denied entry to Jordan for lack of visa.

Please note, passengers holding both Israeli and foreign passports may only exit Israel to Jordan utilizing their Israeli Passport. Please be sure to forward us both your Israeli Passport and your secondary passport when booking tours to Jordan (American or Canadian etc.). Note that Israeli passport holders cannot cross to Jordan at the Allenby Bridge.

Egypt: Visas are required and will be issued upon arrival at Cairo Airport (our representative meets you before passport control to assist with this) for US and Canadian passport holders. The cost is included in your tour unless otherwise indicated, for US and Canadian passports.

Passengers with Special Needs: Tour programs listed in this brochure require participants to be in stable and good physical and mental health, confident in their ability to undertake all activities on the tour chosen, in order to thoroughly enjoy the travel experience. Due to safety issues it is a must that physical disabilities of any kind be advised at time of reservation. It is understood that passengers requiring special attention or treatment will be traveling with a companion. As most tours visit areas with high temperatures during several months of the traveling season and often involve walking on unlevelled terrain, wheelchair participants or those with physical limitations would not benefit from these programs due to the special pace required to complete the activities set for each day. Our Guide leading the group must strictly follow the schedule for the entire group and is unable to deviate from this schedule or to allow for special consideration on an individual basis. Therefore, any participants with walking difficulties must speak with our Travel experts who will be quite helpful in determining alternative travel arrangements by private car which will be more suitable for passengers with special needs. A traveling companion is always required for wheelchair passengers in private cars. Supplements for wheelchair rental applies. Guide in Private car will not be able to handle the wheelchair during the tour, except with the loading and unloading into the vehicle which carries an extra fee.

On all Isram Israel Tour programs, we reserve the right to terminate the tour of any person(s) who we find is disruptive to the rest of the participants or to the smooth operation of the tour.

VAT (Value Added Tax) is not included in our prices. Passengers who are in possession of an Israeli Passport (including those with dual citizenship) are subject to a 18% VAT charge (at time of printing) levied in Israel at the hotels or by the car rental company. It must be paid, if requested, directly.

Please note that Isram Israel assumes no responsibility whatsoever for any charges to your account made by the hotel for VAT. Please be sure to retain the stamped entry permit slip that you receive at the passport control counter upon arrival in Israel. This indicates your VAT exemption status (Tourist Passports only eligible) at hotels and other establishments. Keep it in your passport until your departure from Israel and be sure to present it at each hotel check in.

Land Rates do not include flights between one country and another, or domestic flights within the country, unless otherwise indicated.
